

# SKINOS

Mastiha is a liqueur seasoned with mastic, a resin gathered from the mastic tree, a small evergreen tree native to the Mediterranean region.

The remarkable flavour of this clear spirit is hard to describe: it smells like a sun-drenched rocky Mediterranean hillside covered in wild herbs, like crushed juniper berries and fresh-torn spearmint leaves, like the hauntingly deep aromas of rain-soaked cedar wood and violet essential oil.

Mastiha often accompanies desserts made with almonds and is served at wedding feasts as a digestif. It has a sweet smell and flavour similar to liquorice.
